

St Michael's CE Academy Newsletter

Friday 12th October 2018

Dear Parent/Carer,

First of all, I would like to thank all our parents for the wonderful response to the 'Bedtime Reading' sessions that took place in previous weeks. The number of parents joining us was brilliant and I can't begin to tell you how much of a difference this will make to our children's attitude towards reading.

I also want to thank you for the attendance at our recent Harvest assemblies (see below for more information and photos). This is the first year we have done Harvest like this and it was lovely to see parents come in and celebrate with us. Congratulations to children who entered the competitions - the quality of the entries was staggeringly good. Congratulations to the winners from each year group and the parents raffle winner.

I hope you have all seen the Twitter announcements about our special Heroes Assembly to celebrate all the lovely people around us who help improve our lives on a daily basis. We had a midwife, two soldiers, a police officer, a fire person, a lifeguard and a teacher. The children were enthralled by our visitors and our Collective Crew asked some brilliant questions.

Finally a request, please can we all work together on making sure the playground is safe when children are coming to and leaving school? Lots of children are riding scooters around the playground and this is very dangerous. They are doing this with their parents' accompanying them which has surprised me. We have recently had quite a bad accident and if we feel this continues to be a risk we may need to ban scooters and bikes from the premises.

Thank you for your continued support.

5B Museum – Tuesday 16th October

Year 3 Library visit – Monday 22nd October

Year 1 Library visit – Wednesday 24th October

Harvest Celebrations

Here are our Harvest competition winners.
We had some fabulous entries that were judged by Father Eric Peters.

Congratulations to the lucky winners of our Harvest Festival Raffle.
YELLOW TICKET NUMBER 633

Thank you to all our children and parents for their generosity this year. A fantastic amount of food has been donated which has been collected by CAP (Community Action Program).
Here is a picture of some of our Collective Crew with the CAP team.
