**Friday 26<sup>th</sup> October 2018**

Dear Parent/Carer,

I am sure everyone is looking forward to the half term holiday! The last two weeks have seen some key events that I would like to tell you about.

First of all a big well done to our children who won Mr Broadbent's Sports Awards. These are awards given in recognition for sporting excellence during lunchtime games and activities. As you may know, Mr Broadbent runs some competitive events during lunchtimes which has really caught on.

A big well done also to our children who were successful with their attempt to be Always Green on the traffic light behaviour management system this half term. They have been rewarded with time on a bouncy castle over the course of this week. Staying on green all through a half term is a great achievement and I am proud of those that achieved it. I am looking forward to seeing even more children achieve this reward next half term.

Thank you to parents for your attendance at our parents meetings this week. Once again, the evenings were very well attended and I believe that parents received good information about their children's progress in learning so far this year. I gave out a questionnaire that examined the effectiveness and usefulness of parents' evenings. 122 completed questionnaires were returned. The outcome suggests that 100% of parents who completed questionnaires are satisfied with the quality and organisation of parents' evenings. If you are a parent who was unable to attend parents' evenings and wants to make a comment, please feel free to call school and speak to me or send a quick email through our school website.

Can I also take this opportunity to thank our school council representatives who fulfilled various tasks during parents' evenings. This included greeting parents, showing them to their classes, issuing questionnaires, analysing questionnaires, helping with the Book Fair, helping with the raffle and generally just being wonderful ambassadors for our school. Pretty soon, these children will be running the school!

Please have a happy and safe half term holiday and we will see you all back in school on Monday 5<sup>th</sup> November.
