

St Michael's CE Academy Newsletter

Friday 5th April 2019

Dear Parent/Carer,

What a wonderful term it has been! I hope you are all looking forward to your Easter holidays. In my final messages to you for the term, I would like to start by reminding you that **school is closed on Monday 3rd June** for a teacher training day. I wanted to give you plenty of notice to make childcare arrangements should you need to.

I would like to thank parents for your engagement with school in various activities over this term. We had tremendous attendance at the parents' evenings and Year 3 and 4 Easter production. Your involvement in these activities makes all the difference. I would like to thank the parents of our Y2 children for their attendance at our first 'Inspire Morning'. This was an event very much like the Stay and Play events that we have previously held. It was a brilliant morning and I think everyone really enjoyed it.

On a slightly less positive note, I would like to alert you all to issues regarding parking outside of our school. Local residents have sent me some very angry and upset letters and emails complaining about irresponsible parking outside their houses. This term, I have heard from several residents who say that people are parking outside of their houses, dropping litter, being noisy etc. I can't be sure that it is our parents that are responsible, but the times do coincide with morning and afternoon dropping off times. The residents have complained to the council and the Police, who have then come back to me. Obviously, there is very little I can do about this, but I did promise to let you all know about the issues.

So, now we look forward to Easter! The Easter Bonnet and Easter Egg competition is well underway as I am writing this newsletter. The entries are just pure brilliance! I hope that you all have a fantastic holiday this Easter. Please remember that we are running an Easter Camp at our school this holiday starting on Monday 15th April. The camp is being run by ACES Education. To sign your child up, please visit this website: <http://www.acesportuk.com/a-camps-introduction>

Happy Holidays,

F. Islam

Headteacher
