

October 2015

Letter of Consultation: Changes to St. Michael's CE Academy Admissions Policy 2017/18

Following meetings this term with trustees, governors and senior staff of St. Michael's CE Academy I am writing to invite you to engage in a consultation about changes being proposed to the Academy's Admissions Policy for 2017/18.

The consultation will run from Monday 9th November to Sunday 20th December 2015 and will include feedback from parents/carers, staff, the Local Authority, and fellow primary and nursery schools within the local area and Diocesan Authorities.

The key proposed change to the Admissions Policy is the ranking and inclusion of the following additional category to the oversubscription criteria:

- Other children, with priority being given to those who have attended the Academy's Lower Foundation Stage at the time of application.

A copy of the fully revised Admissions Policy for 2017/18, together with a copy of this letter can be found on the Academy's website.

Responses to the consultation must be received no later than midnight on Sunday 20th December 2015 and can be made in writing or via e-mail, marked for the attention of Lynn Watson, and posted/handed in to

Wakefield Diocesan Academies Trust
Church House
1 South Parade
WAKEFIELD
